Registration

April, 8th

Introduction to valorization

📍 Amphi Charpak, Sorbonne Université, Paris

☀️ What is valorization? How do you undertake a project at the interface between research and industry? What are the guidelines? How can you get the right support? During this day dedicated to the valorisation of research, you will talk with professionals in the field to discover possible paths to entrepreneurship.

Registration

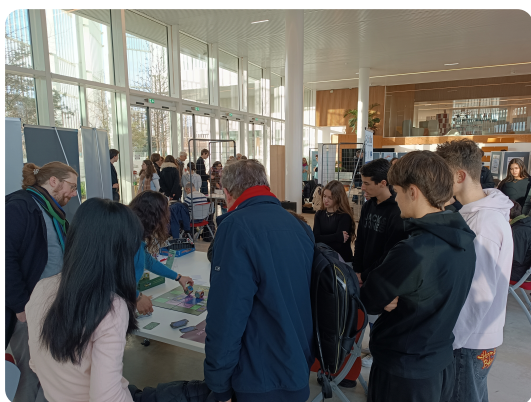

May, 12th

DIM QuantIP Annual Meeting

📍 USPN, 99 avenue Jean-Baptiste Clément, Villetaneuse

☀️ The Annual meeting is back !
Come and meet us at the USPN to learn more about the network, our activities and the latest scientific advance.

Upcoming events

March, 16th - 20th

International Conference on Quantum Communication and Security

📍 Campus des Cordeliers, 15 rue de l'Ecole-de-Médecine, Paris 6.

☀️ This joint initiative of the QSI project and QuanTiP, will feature fantastic and pedagogical keynote-tutorials and invited talks on topics ranging such as post-quantum cryptography, experimental and theoretical QKD.

April, 9th - 10th

Precision Physics Symposium in Paris region

📍 Sorbonne Université

☀️ This symposium brings together numerous precision physics groups from the Île-de-France region and high-level international speakers to establish new avenues for research and collaboration.

May, 20th - 22th

National Photoemission Spectroscopy Days 2026

📍 Sorbonne Université

☀️ The National Photoemission Spectroscopy Days bring together the French-speaking photoemission
